

## **2015 WCMRC Onroad Championship Series Rules**

1. The 2015 series will be run over eight rounds with one worst result (that is, one round) of each driver being dropped from the championship determination.
2. Race format will be two qualifying runs and three final runs per round. A minimum of two qualifying rounds completed on a rain-affected day (when not classified as a rain canceled day) will be counted as a valid round and points will be awarded according to the results of the two qualifying runs. Rain canceled days will not be rescheduled and are completely discarded. A rain canceled day cannot be counted as a dropped round for any driver.
3. Classes offered will be: TC Modified, TC Stock, TC 21.5 Sportsman, Mini, F1, 1/8e, 1/8gte and 1/12<sup>th</sup> scale. A Novice Class will be offered on each race day, subject to satisfying the minimum number of drivers rule, but will not be eligible for trophies. Cross-entry between all classes are allowed. Running of classes may be combined at race director's discretion but points will be awarded to drivers of each class separately.
4. Championship points are awarded to participating and eligible drivers for each completed round of the championship. For a driver to be eligible for points to be awarded for a round, the driver must have participated in a minimum of one run of the round. Twenty points are awarded to 1<sup>st</sup> place of the combined results and one less point is awarded to each subsequent place getters (that is, 1<sup>st</sup> – 20 points, 2<sup>nd</sup> – 19 points, etc). Results calculation is in accordance with AARCMCC racing formats: the Best Qualifier of the two qualifying rounds counts for qualifying positions; combined results of the best two of the three finals count for final positions. Dropped rounds are not used as a count-back in a tie-break situation between two or more drivers. Tie-break situations are determined by the fastest time of the result of a round that is not classed as a dropped round. One bonus point is awarded to the Top Qualifier of each class.
5. Prizes awarded per class (except for Novice Class) at the conclusion of the championship are: Trophies for positions 1<sup>st</sup> to 3<sup>rd</sup>, and Medallions for positions 4<sup>th</sup> to 10<sup>th</sup>.
6. Racing is run according to AARCMCC rules and/or club rules as appropriate.
